GLENDALE, LOS ANGELES COUNTY, CAL., SATURDAY, OCTOBER 13, 1906.

No. 24

CITY TRUSTEES.

City Trustees met in regular session Wednesday evening, October 10th, all members being present.

Demands No. 66, \$10.65; No. 67, \$9.72; No. 68, \$38; No. 69, \$80; No. 64, \$104.65; No. 65, \$12, were presented, and on motion Nos. 64 and 65 were allowed and warrants were ordered drawn for payment of demands Nos. 56, 57 and 58. The other demands were referred to the finance committee.

Request was made for permission to improve Glendale Garden Grove Tract by Mr. G. H. A. Goodwin of the Erkenbrecher Syndicate, he offering to improve one-half of a street to be opened up from Glendale avenue to A street, this proposed street to be opened up between Seventh and Ninth streets, where a through street is badly needed. The City Engineer reported favorably in regard to the map submitted, and the board accepted the map and deferred action upon the opening of new streets until a proper petition from the property owners should be presented.

Mr. Goodwin requested permission to do certain grading, but as certain requirements were not met with, Mr. Goodwin withdrew his request, and asked permission to remove dirt until the necessary time should elapse for the establishing of grades. On motion request was granted.

Mr. Hackman presented map of the Hackman & Lennox Tract, a tract of seven acres lying between First and Third streets, and east of Verdugo road.

An application from the Pasadena, Verdugo and San Fernando Railroad for a franchise for a steam railroad along Verdugo road and Sixth street was referred to the City Attorney and a committee of the board for further consideration.

The Los Angeles Interurban Railway Company, through its engineer, Geo. Pillsbury, made application for a fifty-year franchise on Fourth street, from Brand Boulevard to Glendale avenue, for an electric railroad, the company reserving the right to construct either a single or double track, and to operate cars at regular intervals of not more than one hour, and as much oftener as the travel may require, the bond required being \$1,500 for carrying out of the franchise. On motion the franchise was granted.

Resolution to accept map of Wrightland, a subdivision on A street, was, on motion, adopted.

The City License Collector returned uncollected licenses in the sum of \$97, and the City Attorney and City Clerk were instructed to make proper arrangement for the collection of the delinquent licenses.

On motion the City Treasurer was allowed an assistant for filling out of assessment blanks.

N. F. Reynolds made application for permission to construct curbing along C street under private contract. On motion the matter was referred to the City Engineer for inspection and approval.

Geo. B. Woodberry made request for permission to ride a bicycle on the south side of Seventh street, between A street and Glendale avenue. On motion permission was granted, providing the City Attorney approved.

City Street Superintendent Sinclair brought up the matter of removal of electric lighting poles from public streets, and inasmuch as the lighting company is now operating at a big expense, it was thought best to allow the poles to remain along the streets for the present.

TUESDAY AFTERNOON CLUB.

First Meeting of Social and Business Importance.

Of more than social interest was the reception given on Tuesday afternoon in Odd Fellows' Hall by the energetic and progressive officers of the Tuesday Afternoon Club.

The reception committee consisted of officers elected for the ensuing year: Mesdames Pack, Hunt, Banker and Guenthart. These were ably assisted by other members of the club.

On entering the room the ladies were surprised by the profusion of flowers, considering the time of year. Masses of fairy-like cosmos were scattered about, and bright flowers and trailing vines beautified the tables set ready for the banquet.

Owing to the nature of the occasion, the program was very brief, opening with a short business session, presided over by the bright and capable president, Mrs. Edgar W. Pack. Mrs. C. B. Guenthart gave promise of making a very successful secretary. Her report lacked entirely the dryness that might be in such an affair, but was lively and full of interest.

The most important item brought up for discussion was the idea of holding a mass meeting in regard to a public library. Mrs. James W. Wells, in her concise and thorough manner, offered suggestions on library work, which will be adopted in the near future.

The charming feature of the program consisted of the Scotch songs given by Mrs. A. L. Bryant in a quaint, pleasing manner that captivated the music lovers present. Mrs. Alexander Mitchell acted as accompanist. Following Mrs. Bryant's success were instrumental numbers given by Mrs. J. W. Parker in a way that won hearty applause.

Then happy voices welcomed strangers, and friends that had not been seen throughout the summer, as, with Mrs. Parker's bright music still in their hearts the ladies sat down to discuss the banquet.

Year books and constitution leaflets were distributed to members of the club, who were delighted that the first affair of the season had been such a grand success—just exactly as it was planned to be.

Many thanks are due the new president, who, with clear head and steady hand, will guide the club through the winter's work and studies. Already her touch is felt at the helm, and a very profitable season is anticipated.

HIGH SCHOOL NOTES.

Knowles Ryerson of the Ninth Year Class has moved to Los Angeles and will enter the high school there.

Frances Riem, ex-'07, is a student at the Brownshager business college.

Prof. Moyse is in San Francisco this week, attending the Masonic Grand Lodge.

The basket-ball game Friday night at the skating rink between the High School team and the Glendale Club was won by the High School team. Score 21 to 16.

Mrs. McNutt of North Glendale was a visitor at the High School recently.

While exploring the High School basement Wednesday afternoon Richard Stine stepped on a nail, which gave him a very painful wound in the foot.

At the meeting of the County Athletic League Saturday morning in Los Angeles arrangements were made to open up the basket-ball league games

in about two weeks. The girls' basket-ball season will not open until February 1st.

Miss Hall was unable to meet her drawing classes Tuesday because of illness. Miss Cook of last year's senior class took charge of the Ninth Year classes.

Brownshager Home School has had a chronic longing for a basket-ball game with Glendale High School. Wednesday, after school, opportunity for satisfaction was given and the score of 40 to 10 in favor of the High School tells the pitiful tale.

MAY GET FIFTY-YEAR FRANCHISE IN PARK.

(From the Los Angeles Examiner.)

A petition of the Pasadena, Verdugo and San Fernando Electric Railroad Company for a fifty-year franchise through Griffith Park probably will receive favorable action at the hands of the City Council, provided that Griffith J. Griffith, the donor of the park, consents.

When the petition came before the Council yesterday, Councilman Houghton asked for the opinion of the City Attorney, and Deputy Leslie Hewitt informed the Council that the franchise could be granted with Mr. Griffith's consent.

Martin C. Marsh, the secretary of the Pasadena Company, was instructed to secure the desired permission and present an amended petition accordingly.

THE GLENDALE SHOE STORE.

Mr. Frank Sauer, who lives on Third street, near A, will open up a shoe store in the Wellner building on Glendale avenue, between Third and Fourth streets, in about two weeks. Mr. Sauer will put in a complete line of men's, women's and children's footwear, and the stock will be new and first-class in every respect. Mr. Sauer has been a resident of Glendale for the past three years and is known as a thorough business man and is held in high esteem by all who know him as a gentleman of high integrity.

A first-class shoe store is an institution that is much needed in Glendale and the town is most fortunate in having such a man as Mr. Sauer to engage in business here.

COUNTY TAXES NOW DUE.

The county treasurer has issued a statement regarding the payment of state and county taxes which will be of interest to all people in this city.

The first payment will be due October 8, 1906, and will be delinquent November 26, at 6 p. m. The second payment will be due January 7, 1907, and will be delinquent April 29 at 6 p. m.

Fifteen per cent will be added to the first payment delinquents and an additional 5 per cent will be added to this payment if not made before April 29.

Five per cent will be added to the second payment if not paid when declared delinquent.

GLENDALE HIGH vs. A. C.'s.

The basket-ball game at the skating rink last Friday evening between the Glendale High School and the Glendale A. C. was very exciting and interesting and ended in a victory for the High School by a score of 19-16. None of the Athletic Club's players had played before this season and several had never played before. This was the cause of their defeat.

Thieving Boys

MR. EDITOR:—

Fruit growers are complaining of the depredations of school children in the orchards and vineyards. It would be well if it were thoroughly understood that there is a penalty of forty dollars or forty days imprisonment we understand for such misdemeanor. It is deplorable that people for fear of a penalty refrain from doing wrong, but where the moral sense is either blunted or undeveloped this seems at present the only protection for the community. Let us countenance nothing lacking in integrity in the slightest degree in our children from babyhood up. Let us provide our children with plenty of fresh fruit always. The craving for such is natural and necessary. It especially nourishes the nervous system. When our ranchmen fertilize a certain crop they use such fertilizer as that crop requires and assimilates. The child's body and brain are not less important or less insistent in regard to proper nourishment and it is not strange that after a long, free vacation, confinement in a schoolroom hot days such as we have had should cause the overwrought nerves to cry out for just what they need; neither is it strange if, in the absence of a strong principle of right and wrong or a cultivation of self control, he should succumb to his lower nature and secure dishonestly what he craves. When a thirteen year old Glendale boy enters a house and robs the owners of money, he has either been defrauded of proper training or has been in bad company of boys or books or something else is radically wrong.

Our teachers can be depended upon to use precept and influence on the right side but foundation work in morals and religion should be done in the home. Let us tune up our children's morals. The boy who steals grapes today will steal the public money in the next decade.

The News is devoting its every effort to advance this section of Los Angeles county and we expect to receive the co-operation and assistance of all our citizens in that endeavor.

The horrors of the San Francisco earthquake were not limited to loss of life and property. A hundred books dealing with the disaster have been inflicted on the suffering public.

Now that Iceland can be communicated with by cable, Hearst's Los Angeles newspaper missed the opportunity of its "longest leased wire" existence during the recent hot spell.

Automobilists continue to break records and necks. The record run of 4200 miles across the continent took fifteen days, two hours and twelve minutes, cost \$8,000 and required 280 gallons of gasoline. It is now up to the denatured alcohol man to show what he can do.

LOCAL AND PERSONAL.

Miss Helen Stuart of Los Angeles is spending the week with Mrs. Eulalie Anderssen.

Mrs. Frank Wulf, nee Lupton, made a pleasant call on friends on Friday of last week.

Mr. B. J. Cloes of Benida Ranch, near Redlands, was calling on friends in Glendale last week.

Mrs. Mabel Compton who has been seriously ill in Los Angeles, has returned to Tropic and is ready to receive pupils in music at any time at her home on Tropic Avenue, one block west of car line.

Miss Bliss Creamer of Seattle is here for the winter for her health as the guest of her sister, Mrs. E. Alken. Miss Creamer has just undergone a serious operation for tuberculosis of the throat, but is doing very nicely and hopes to soon regain her health in this healthful climate.

Mr. and Mrs. J. A. Farrell of B. street entertained at dinner Monday evening, Captain Estes and wife of the 20th infantry, U. S. A., stationed at the Presidio Monterey. Mrs. Estes is a cousin of Mr. Farrell. They are making a tour of Southern California.

Mrs. Hartsough of B Street Entertains With Progressive Whist.

Mrs. Hartsough was hostess at a progressive whist party at her home on B street last Saturday evening.

The attractive home was profuse with nodding roses and dainty ferns, arranged in baskets and vases, the color scheme throughout the house being pink, white and green.

The dining room was beautiful with cut glass and silver and the color scheme was very uniquely and artistically carried out, the salad being served in dainty baskets carved from lemon rinds with the handles tied in pink baby ribbon.

The first ladies prize, a set of beautiful silver rose vases, was won by Mrs. Eugene Pitcher, while Mr. Robinson was awarded the gentleman's prize, a handsome morocco card case. A pack of cards, the booby prize, went to Mr. Taylor.

The guests were Mr. and Mrs. Coker, Mr. and Mrs. G. S. Taylor, Dr. and Mrs. Hunt, Dr. and Mrs. Chase, Mr. and Mrs. Eugene Pitcher, Mr. and Mrs. Fraley, Mr. and Mrs. Hartsough of Los Angeles, Mr. and Mrs. Robinson of Los Angeles, Mr. and Mrs. Edgar Pack, Mr. and Mrs. Williams, Mr. and Mrs. Frank Sauer, Mrs. Ryan and Miss Waite.

The hostess was assisted in entertaining by her mother, Mrs. Miller.

A Family "Reunion."

The Tropic Water Company held its annual meeting at Logan's hall on Monday evening the 8th inst. and elected the following directors for the ensuing year: Hugh Glassell, Mrs. W. G. Glassell, Ralph Rogers, Mrs. Ralph Rogers and Mr. Carey.

Mr. Glassell held the majority of stock represented and voted himself, his family and relatives into absolute control of the directorate, shutting out all local representation with the exception that Mr. N. C. Burch was re-elected financial secretary.

Immediately after the election of officers the principal place of business of the company was changed from Tropic to Los Angeles.

Tropic stockholders in the water company, and the citizens generally, are very indignant at the action of

Mr. Glassell in refusing any of the stockholders outside of his own immediate family a voice in the affairs of the company and the changing of the principal place of business, it is thought, will entail much unnecessary expense and loss of time to the users of the company's water.

Enlarging Business.

Noble Brothers, Glendale's enterprising dry goods merchants, are making valuable additions to their business by putting in a complete line of shoes and millinery. This firm is receiving a good patronage from the people of Glendale and they deserve all they get and more, for they are sparing no expense or pains in their efforts to accommodate the public. Noble Brothers are doing much to advertise Glendale and the valley and all loyal Glendale people will patronize this firm.

NOTICE OF SALE OF ELECTRIC RAILROAD FRANCHISE.

Notice is hereby given that application has been made to the Board of Trustees of the City of Glendale, in the County of Los Angeles, State of California, for a certain franchise granting the right to construct, maintain and operate, for the term of fifty years, an electric railroad upon certain public streets in the said City of Glendale, hereinafter described, together with certain appurtenant and incident rights hereinafter mentioned, and that it is proposed by the said Board of Trustees to grant the same upon the terms and conditions hereinafter mentioned; that said franchise is described as follows, to-wit:

A franchise to construct, maintain and operate for the period of fifty years an electric railroad for the transportation of passengers, to be single or double-track in whole or in part, at the option of the grantee thereof, or his or its successors or assigns, over the route and along and upon the streets or portions of said streets in said city described as follows, to-wit:

Commencing at the intersection of Fourth Street and Brand Boulevard in the City of Glendale; thence easterly along Fourth Street to Glendale Avenue.

Together with the right to construct curves and switches, and spur tracks into private property, also connections at street intersections, power houses and all other appliances, property, structures and attachments that may be necessary for the purpose of operating said road and enabling it to be as effective as the best electric railroad; provided, however, that no spur track into private property shall be built within five hundred (500) feet of any spur track already constructed under said franchise without first securing proper consent of the Board of Trustees of the City of Glendale.

That the terms and conditions upon which said franchise will be offered for sale and granted are the following, to-wit:

First. That the railroad to be constructed and operated under said franchise shall be used for the transportation of passengers, baggage, United States mail, express matter and such other commodities as can be conveniently handled by an electric railroad, provided that cars other than closed ones of a neat and attractive design shall only be conveyed over said road between the hours of 10 p.m. of each day and 6 a.m. of the following day; also such material as is used in the construction and maintenance of railways.

That the tracks to be laid under said franchise shall be placed as near equidistant from the center of the street as possible, and where said road is double-tracked, as near each other as a proper regard for safety will allow.

Second. That said grantee or his or its successors and assigns shall use good material in the construction of said road, and said road shall be built in a good and workmanlike manner, and that said grantee and his or its successors and assigns shall at his, its or their own cost and expense oil and re-oil, pave or macadamize the said road between the rails, between the tracks and for two feet on each side thereof, with the same material used for the city and under the same specifications and in the same manner as upon the streets over which said roads are respectively, and shall keep the same constantly so paved or macadamized and in repair flush with said streets and provided with suitable crossings, and shall make the roadbed conform at all times to the established grade of said streets; provided, however, that where any of the above-named streets have been graded or otherwise improved prior to the granting of said franchise, said roadbed and rails shall conform to and be flush with the surface of said graded or otherwise improved street or streets, whether such surface be above or below the official grade of said street or streets, and on all other street or streets the said roadbed and rails shall conform to such official grade as aforesaid.

In case if the said grantee or his or its successors and assigns, shall fail to comply with the instructions given for said repairs for ten days after service of notice thereof upon the Superintendent or Manager of said electric rail-

road, then the Board of Trustees of the City of Glendale may, with suitable assistance, enter upon said electric railroad, or any portion thereof, and do the work and furnish the proper material and keep an itemized account of the cost thereof, which said grantee, or his or its successors or assigns, by the acceptance of this franchise agrees to pay immediately to the Treasurer of the City of Glendale upon the presentation of the account to the Superintendent or Manager of said electric railroad.

Provided, further, that cars shall be run over the road constructed under said franchise every day, unless prevented by the elements, riots, strikes, or unavoidable causes; provided, also, that cars shall be run over and upon said road at intervals of not more than one (1) hour from 7 o'clock a. m. until 10 o'clock p. m. of each day, and as much oftener as may be necessary to properly accommodate all persons who apply for transportation over said road, except in times of extraordinary and unforeseen amounts of travel.

Provided, further, that said grantee and his or its successors and assigns shall have the right to excavate and remove portions of said streets necessary to properly construct said road and to erect needful apparatus, boilers, engines and other appliances to properly equip and run said road; provided further, that the City of Glendale, in granting said franchise, expressly reserves the right to pave, macadamize, renew or sewer any of said streets, or to lay gas, water or other pipes therein; said work to be done so as to injure said road as little as possible.

It is further provided that said grantee, and his or its successors and assigns, shall construct all necessary flumes and culverts for the free passage of water under the tracks of said railroad whenever and wherever necessary, and that all such flumes and culverts shall be constructed in accordance with plans and specifications approved by the City Engineer.

Third. That the grantee of said franchise and his or its successors or assigns, shall and will at all times upon and after the completion of said road, during the operation of the same, and without extra charge, issue to and receive from passengers going in one direction, transfers good for one continuous passage over and upon any and every other line and lines or any other road or roads operated entirely within the said city, which said grantee or his or its successors or assigns does now, or may hereafter, own, control, operate or have a controlling interest in, and provided, as further condition, that said grantee, and his or its successors or assigns, shall and will at all times as aforesaid, issue, or cause to be issued to said passengers, without extra charge, a similar transfer from any and every other line or lines operated entirely within the said city, which said grantee, or his or its successors or assigns, does now or may hereafter own, control, operate or have a controlling interest in, as aforesaid, to, over, and upon the road operated and maintained under said franchise.

Fourth. That the rate of fare for any distance within the city limits over said road or its branches one way in the same direction shall not exceed five cents per one passenger; that persons under the age of eighteen years who attend the public schools of said city shall be required to pay but half fare; provided that said pupils shall purchase their tickets in quantities of at least one dollar's worth at a time, such tickets to be available only between the hours of eight a. m. and six p. m., in actual passage to and from school, and the said grantee and his or its successors and assigns, shall sell such tickets whenever requested so to do, when schools are in session, by a pupil who shall present a certificate from a teacher, approved by the principal of such school, that he or she is a pupil of the said school; provided, further, that said grantee, his or its successors or assigns shall carry free on said cars the City Marshal and deputies, and all regular police officers, and firemen of said city, when on duty, and the Board of Trustees and letter carriers, subject at all times to the rules of the road.

Fifth. That the person, partnership, or corporation to whom said franchise is granted or awarded, his or its successors or assigns, shall, during the

life of said franchise, pay to the City of Glendale, in lawful money of the United States, two per cent of the gross annual receipts of said grantee and his or its successors and assigns, arising from the use, operation, or possession of said franchise, but no percentage shall be paid for the first five years succeeding the date of this franchise, but thereafter such percentage shall be payable annually, and said franchise is to be forfeited by failure to make the payments provided for, and it shall be the duty of the grantee of said franchise, his or its successors and assigns, to file with the City Clerk of the City of Glendale, at the expiration of six years from the date of granting of said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of said grantee, his or its successors or assigns, and by the oath of the manager or presiding officer of said grantee, or his or its successors or assigns, showing the total gross receipts or gross earnings collected or received by the said grantee, his or its successors or assigns, during the preceding twelve months, and within ten days after the time for filing such statement it shall be the duty of said grantee, his or its successors or assigns, to pay to the City Treasurer of the said City of Glendale the aggregate sum of said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise.

Provided, that if the road for which said franchise is granted shall be an extension of an existing system of railroad, then the gross receipts shall be estimated to be one-half of the proportion of the total gross receipts of said system which the mileage of such extension bears to the total mileage of the whole system, and said estimate shall be conclusive as to the amount of the gross receipts of said extension.

Sixth. That the work of constructing said road shall be commenced in good faith within not more than four months from the date of the granting of said franchise, and shall be prosecuted thereafter in good faith and without unnecessary or avoidable interruption or delay, and that said work of construction shall be completed within not more than three years thereafter, and if said work be not so commenced, prosecuted and completed within the times, or in the manner specified, such franchise shall be forfeited.

Seventh. That all poles used in the construction and operation of said electric road shall be placed within the curb line of the streets herein designated as officially established by the Board of Trustees of the City of Glendale, and the outer edge of poles shall in all cases be set as near the inner edge of the curb as practicable, when not otherwise directed by said Board of Trustees, and the wires suspended from said poles shall not at any point be less than nineteen (19) feet above the top of the rail; said poles shall be smooth, straight, and painted in uniform color.

That any neglect, failure or refusal to comply with any of the conditions of said franchise, shall thereupon immediately, ipso facto, effect a forfeiture thereof, and the said city, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee, or his or its successors and assigns, from further use of the streets of said city, under said franchise, and said grantee and his or its successors and assigns, shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is also hereby given that sealed bids in writing will be received for said franchise up to 7:30 o'clock p. m. on the 5th day of December, 1906; that the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm, or corporation who shall make the highest cash bid therefor; provided, only, that at the time of opening said bids any responsible person, firm, or corporation, present or represented, may bid for said franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bids so made may be raised not less than ten per cent by any

other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold, and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States. Each sealed bid must be accompanied with cash or a certified check, payable to the City Treasurer of the City of Glendale for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith, and the successful bidder must deposit, at least ten per cent of the amount of his bid with the City Clerk before said franchise will be struck off to him, and if he shall fail to make such deposit immediately, his bid will not be received, and will be considered as void, and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold, and awarded to a bidder who shall make the necessary deposit of at least ten per cent of the amount of his bid as herein provided. Said successful bidder shall deposit with the City Clerk, within twenty-four hours after the acceptance of his bid, the remaining ninety per cent of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited, and the award of said franchise will be void, and said franchise will then and there, by said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited, and no further proceedings for the sale of said franchise will be had until the same shall be re-advertised for sale.

Notice is also hereby given that the successful bidder for said franchise must, within five days after said franchise is awarded to him, or it, file with the Board of Trustees, a bond running to said city in the penal sum of fifteen hundred dollars, with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages, and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited.

By order of the Board of Trustees of the City of Glendale made at a regular meeting of said Board on the 10th day of October, 1906.

Church Notes

Cottage prayer meetings are held each Wednesday evening in different parts of the valley.
 In Lomita Park the meeting, led by Rev. C. R. Norton of the M. E. Church, was held at the home of Mr. and Mrs. Newhall, on Maple street.
 In North Glendale Rev. W. F. Stone, pastor of the Baptist Church, conducted the meeting at the home of Mrs. Littell, on Dryden street.
 In Verdugo, at the home of E. A. Turner, on Sixth street, Rev. S. L. Ward, pastor of the Presbyterian Church, conducted the meeting. All report well-attended and interesting meetings.
 At the Presbyterian Church the Lord's Supper will take the place of the usual morning service. The pastor will be assisted by the Rev. Theodore Hopping of the Valley View Tract.
 The topic of the evening service will be, "Sin." At 4 o'clock the men of the Presbyterian Church, whether members of the church or congregation, are requested to meet at the church with a view to the organization of a Men's Society. The Intermediate Endeavor meets at 6 P. M.
 The first of the Bible studies conducted by the Rev. Thomas Horton of Immanuel Presbyterian Church, Los Angeles, at the M. E. Church on last Wednesday was extremely interesting and profitable. Mr. Horton is a clear thinker, and is both sane and practical. The next meeting will be in the same place, the time is 2:30 P. M., Wednesday, and the topic is "Man's Enemy, Satan. His Personality, His Past Province."
 At the Baptist Church Sunday morning Pastor Stone will speak on the subject, "The Man in the Wilderness." In the evening the subject will be, "Fellowship."
 Morning service at 11 o'clock. Evening service at 7:30 o'clock. Church on the corner of Third and L streets.
 Are you a stranger in Glendale? If so, we invite you to worship with us. W. F. STONE, Pastor.

RECEPTION TO PASTOR AND FAMILY.

On Wednesday evening a reception for Rev. C. R. Norton and family was held at the M. E. Church by the Ladies' Aid Society, Mrs. H. E. Gulvin acting as chairman for the evening. The pastor, wife and family were welcomed in behalf of the church by Rev. W. S. Blackburn. Welcome in behalf of the official board was extended by Mr. Frank Campbell. The Ladies' Aid Society was represented in an address by Mrs. R. D. Goss the Woman's Foreign Missionary Society by Mrs. F. D. Hendershott, the choir by C. E. Russell, the choir singing an appropriate selection at the conclusion of Mr. Russell's remarks; the Epworth League by the president, M. T. Remsburg, and the Sunday School by the superintendent, T. W. Watson. Rev. S. L. Ward being called upon by the chairman, responded with a very happy and pleasing talk.
 The program was interspersed by singing by the choir and two vocal solos beautifully rendered by Mrs. Emma Burkett. At the conclusion of the program, light refreshments were served at the pastor's home, about one hundred and twenty being present. A pleasing feature of the evening was the very liberal donation presented to the faithful pastor.

**SAGAMORE
HILLS**

EAGLE ROCK

E

N

S

LOS ANGELES

SAGAMORE HILLS

Part of the hill country in the triangle made by Glendale, Eagle Rock and the City. Closer in than Glendale or Eagle Rock, and higher than either.

Location

While Los Angeles has pushed northward, and the sturdy City of Glendale has developed into a high-class and populous community, with Eagle Rock swinging into line as a choice Villa home section, this beautiful group of hills has awaited the accepted hour of development, when **ELECTRIC CAR SERVICE**—the one and only thing needed to make it incomparably the finest suburban district of Los Angeles—now enables it to bid for popular favor as a strictly high-class residence district.

Here is a combination of climate—a variety of contour, a perfect soil of decomposed granite (a sandy loam) with no adobe and no "wash," an elevation of from 550 to 900 feet, a North and South frontage looking to the San Rafael and the Sierra Madre mountains to the North and overlooking the beautiful rolling hills of Berkshire, Mt. Washington and Elysian Park to the South.

Transportation

Here is the new **EAGLE ROCK ELECTRIC LINE** paralleling this tract on the East and South, with the **VERDUGO PARK EXTENSION** of the Los Angeles Railway touching the property on the West, and taking a strip of fifty feet private right-of-way through its entire length of 3,100 feet, thus giving us the **YELLOW CAR LINE SYSTEM** with its **TRANSFER PRIVILEGES** and commuted fares. The present double tracking of the Eagle Rock branch, where it parallels this property, the construction of the Verdugo Road Electric now provided for, is giving to this foot-hill country the transportation facilities previously denied to it, and this in turn is demonstrating the claims of the north foot-hills as the section now most attractive for immediate home purposes and for investment for future returns.

The School and Church facilities, together with Banks and Business district is afforded by Glendale, which adjoins us. The Glendale High School being one of the special advantages.

The distance from the business centre is about four miles. The time twenty minutes. The fare, the usual commutation of 6 $\frac{2}{3}$, with the **5c. Fare Limit** within easy walking distance of the tract.

Water, Street Work and Restrictions

The Water System, the Street Work and Building Restrictions are made to cover the entire area of Sagamore Hills, securing uniform quality throughout. The **WATER SYSTEM** is installed by the Eagle Rock Water Co., and comes from a mountain source to a reservoir on our highest peak, **AT 903 FEET** affording strong pressure throughout the tract.

Climate

The climate is exceptional in the protection received from east winds, the comparative dryness of the foot-hills in the rainy season and the delightful cool produced by the south-west winds during the summer.

Allotment

The platting is in large lots, 60x180 to 75x225, and the prices scaled from \$10.00 to \$20.00 per front foot on frontages with first-class Cement Pavement, Curbs and Gutters.

Interest and Terms

Terms $\frac{1}{4}$ cash, balance 6, 12 and 18 months. 6 per cent. Taxes paid. The Building Restrictions from \$1,500 to \$3,000, and limited to Residence Purposes only. This property is not held on a **CONTRACT** but is owned **OUTRIGHT**. The enterprise is backed by ample capital, and all pledges will be fully guaranteed. We believe **SAGAMORE HILLS** to be the choicest hill home district between the River and the Mountains, while it is the nearest point in the frostless belt where **EXEMPTION** from fog, **FREEDOM FROM DUST AND SMOKE OF THE CITY** and an average elevation of 700 feet can be attained.

Policy

It is the policy of the owners to upbuild a strictly residence section, and to realize on the exceptional natural advantages of the tract and its environs.

Some concessions will be made to the first half dozen builders.

NOTICE OF PUBLIC WORK.

PUBLIC NOTICE IS HEREBY GIVEN, that, at its meeting held on the 12th day, of September, 1906, the Board of Trustees of the City of Glendale adopted a Resolution designated as Resolution of Intention No. 27, declaring its intention to order the following improvement to be made, to-wit:

SECTION 1: That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale to close up, vacate and abandon for alley and street purposes all that portion of an alley of the City of Glendale described as follows, to-wit:

All of that portion of the alley 20 feet wide extending Northerly and Southerly in Block 3 of the Town of Glendale as per Map thereof recorded in Book 21, Page 96, Miscellaneous Records of Los Angeles County, lying Northerly of a line drawn 20 feet Northerly from and parallel to the Southerly line of Lot 30 of said Block 3 of the Town of Glendale and prolonged Westerly across said alley.

SECTION 2: That the exterior Southerly line of Lot 30 of said Block be affected by said work or improvement and to be assessed to pay the damages, costs and expenses thereof are hereby specified and declared to be as follows, to-wit:

Beginning at the Southwest corner of Second Street and "D" Street, thence Southerly along the Westerly side of "D" Street to the Northerly side of Third Street, thence Westerly along the Northerly side of Third Street to the Easterly side of Glendale Avenue; thence Northerly along the Westerly side of Glendale Avenue to the Southerly side of Second Street; thence Easterly along the Southerly side of Second Street to the place of beginning.

Reference is hereby made to said Resolution on file in the office of the City Clerk of said City of Glendale for further particulars.

F. R. SINCLAIR,
Street Superintendent of the City of Glendale. 22-4

RESOLUTION NO. 28.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF FOURTH STREET.

The Board of Trustees of the City of Glendale do resolve as follows:

SECTION 1: That the street work herein described is required for the public interest and convenience, and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work, and under the direction and to the satisfaction of the Superintendent of Streets of said City, to-wit:

FIRST.—That that portion of Fourth street in said city, from the East line of Brand boulevard, to the west line of Glendale avenue, including all intersections of streets (excepting such portions of said streets and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded, oiled and surfaced with tamping roller in accordance with the plans and profile on file in the office of the City Engineer, and specifications for the construction of graded, oiled and surfaced streets with tamping roller on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 4.

Second.—That a cement curb be constructed along each line of roadway of said Fourth street from the East line of Brand Boulevard to the West line of Glendale avenue (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed to the official line and grade and accepted) in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2. Provided, however, that said curb shall be placed twelve (12) feet from the adjoining property line instead of as specified in said specifications.

Third.—That a cement sidewalk six (6) feet in width be constructed along each side of said Fourth street from the East line of Brand boulevard to the West line of Glendale avenue (excepting such portions of said Fourth street between said points along which

a cement sidewalk six feet in width has already been constructed to the official line and grade), said sidewalk to be constructed according to specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1, except that said sidewalk shall be six (6) feet in width instead of five (5) feet in width, as mentioned in said specifications.

SECTION 2: The Glendale News, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution and notice of said street work inviting sealed proposals shall be published in the manner and form and by the persons required by law.

SECTION 3: The City Clerk of the City of Glendale is hereby directed to post conspicuously, for five days, on or near the Chamber door of the Board of Trustees, in the manner and form required by law, a notice, with specifications, inviting sealed proposals or bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose as aforesaid, in the manner and in the form required by law, a notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted or on file.

Said notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than Ten per cent of the aggregate of the proposal; said City Clerk is also hereby directed to publish this resolution for two days in the manner required by law, in said newspaper designated for that purpose as aforesaid. Adopted and approved this 3rd day of October, 1906.

WILMOT PARCHER,
President of the Board of Trustees of the City of Glendale.
(Seal.)

Attest:
G. B. WOODBERRY,
City Clerk of the City of Glendale.

STATE OF CALIFORNIA, ss.
CITY OF GLENDALE.

I, G. B. WOODBERRY, City Clerk of the City of Glendale, do hereby certify that the foregoing resolution was duly passed by the Board of Trustees of the City of Glendale, State of California and approved by the President of said Board at a regular meeting thereof held on the 3rd day of October, 1906, and that it was passed by the following vote:

Ayes: Trustees Anderson, Fanset, Jennings, Parcher, Watson.
Noes: Trustees, None.

G. B. WOODBERRY,
City Clerk of the City of Glendale.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF GLENDALE AVENUE.

The Board of Trustees of the City of Glendale do resolve as follows:

SECTION 1: That the street work herein described is required for the public interest and convenience and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work and under the direction and to the satisfaction of the Superintendent of Streets of said City, to-wit:

FIRST: That, that portion of Glendale Avenue, in said City, from the South line of First Street to the North line of Sixth Street, including all intersections of streets (excepting such portion of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded, oiled and surfaced with tamping roller in accordance with the plans and profile on file in the office of the City Engineer, and specifications for the construction of graded, oiled and surfaced streets with tamping roller on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 4.

SECOND: That a cement curb be constructed along the West line of the roadway of said Glendale Avenue from the South curb line of First Street to the North curb line of Sixth Street, and also along the East line of the roadway of said Glendale Avenue from the South curb line of First Street to the North curb line of Fifth Street (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed), in accordance with the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2. Provided, however, that said curb along the west line of said roadway shall be placed ten feet from the Westerly property line, and that said curb along the East line of said roadway shall be placed ten feet from the property line from the South curb line of First Street to the angle in Glendale Avenue between Second Street and First Street where said curb shall be intersected by a curb already laid and accepted. And that said curb along the East line of said roadway shall be placed two feet from the property line from the South curb line of Second Street to the angle in Glendale Avenue immediately North of Fifth Street where said curb shall intersect a curb to be placed ten feet from the property line from said angle point to the Northerly curb line of Fifth Street. All of said curbs to be placed as shown on the Plan of Glendale Avenue from First Street to Sixth Street on file in the office of the City Engineer, and designated as Map No. 7622.

THIRD: That a cement sidewalk six feet in width be constructed along the West side of Glendale Avenue from the South curb line of First Street to the North curb line of Sixth Street (excepting such portions of the said West side of Glendale Avenue between said points along which a cement sidewalk six feet or more in width has already been constructed) in accordance with the Plan of Glendale Avenue from First Street to Sixth Street on file in the office of the City Engineer, and designated as Map No. 7622, and Specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 1; except that said sidewalk shall be six feet in width instead of five feet in width as mentioned in said Specifications.

SECTION 2: The Glendale News, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution and notice of said street work inviting sealed proposals shall be published in the manner and form and by the persons required by law.

SECTION 3: The City Clerk of the City of Glendale is hereby directed to post conspicuously, for five days, on or near the chamber door of the Board of Trustees, in the manner and form required by law, a notice, with specifications, inviting sealed proposals or

bids for doing said work, and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose as aforesaid, in the manner and in the form required by law, a notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted or on file.

Said notice shall require a certified check or bond, either as prescribed by law and for an amount not less than ten per cent of the aggregate of the proposals; said City Clerk is also hereby directed to publish this resolution for two days in the manner required by law, in said newspaper designated for that purpose as aforesaid.

Adopted and approved this 10th day of October, 1906.

(SEAL) WILMOT PARCHER, President of the Board of Trustees of the City of Glendale.

Attest:

G. B. WOODBERRY, City Clerk of the City of Glendale.

DEMOCRATIC MOTIVES ANALYZED BY STUDENT.

Pasadena Star.

Editor Star:—The Cincinnati Times-Star, under date of September 28, says:

"The general plot of the Democracy to creep into power everywhere under the guise of 'independence' or the specious cry of 'reform' is very well analyzed in the Toledo Blade in an editorial dealing with the judicial situation in that city, where the same tactics used in Cincinnati are being adopted. Under the heading of 'Hypocritical Politics,' the Blade says:

"Why are the men controlled that 'independent' judicial convention seeking to run the Democratic judicial convention? The most serious charge ever made against the local Republican organization was that it had a Democratic annex and practically governed the proceedings of the minority party. The people could see in this an attempt at oligarchy, and they rebelled. Now men who call themselves 'independents' are trying to establish a line of close communication between themselves and the Democrats of the district. They, too, purpose having a Democratic annex. Obviously, if the men who have submitted tickets to the voters of these judicial districts under the banner of independence have faith in their cause and are truly independent, they will confine themselves to the exercise of legitimate influence. If their ticket is so much better than any other ticket, they can go before the people with the strongest kind of an argument. If the motives that inspired the selection of the ticket are purer than the motives that inspired the selection of other tickets, the argument should have additional weight. But the plain purpose of indorsement is to put the Democratic party on record so as to influence the vote, not of the intelligent man who will exercise his individual judgment in such matters, but of the man who follows the party flag. Decrying partisanship, these convention manipulators seek to employ it to gain their personal ends. It is a shrewd move. No one can deny that. But it stamps the leaders as politicians pure and simple, using the cloak of independence to deceive the voters and prepared to employ any trick, however despicable, to carry out their purpose.

"The plan of the Democracy to get control by localizing issues in Republican communities, while maintaining a 'Solid South' partisanship in Democratic strongholds, strikes home to those whose duty it is to examine the newspapers of the various cities of the country. Realizing that its national record is an infamy; that its platform policies are outrageous, everywhere the Democracy is seeking to localize matters, with a hope of grasping power. Let not Cincinnati voters be misled into thinking that the tactics of the local Democracy are in any degree dictated by local conditions—they are being used with a universality in every Republican stronghold that indicates a common directing head."

Evidently the same conditions prevail in Toledo, Cincinnati and other places as in Los Angeles county. Democratic leaders, hopeless of securing power and office by virtue of their party principles, are attempting to disrupt the Republican party in its very stronghold by organizing, under the misnomer of 'independent' or 'Non-Partisanship' the disgruntled and sore-head element among the Republicans. The intent is too obvious to deceive the most casual observer. Their work has been too coarse. Denouncing the Republican convention held at Venice as 'boss controlled,' and its candidates as 'machine made,' they nevertheless endorsed the action of this convention by naming on both the Non-Partisan and the Democratic ticket two-thirds of the Republican nominees.

The Non-Partisan committee, organized and controlled entirely by the leaders of the local Democracy and by them secretly named, met, behind locked doors, and programmed the so-called Non-Partisan ticket, from top to bottom. The next day these same Democratic leaders carried this ticket, so prepared, into the Democratic con-

vention, and by means of a combination of demagoguery and gag-rule, forced its passage.

They now brazenly flaunt this ticket in the face of the voters of this county and demand that every voter place his seal of approval upon it, or stand self-condemned as a service tool of bossism. It would be well for Republican voters to consider where a more arrogant exhibition of bossism can be found. The old saying may well apply: 'When the devil was sick, the devil a saint would be. When the devil was well, the devil a saint was he.'

REPUBLICAN.

HAS RECEIVED GIFT OF QUEEN.

Miss Blanche Ruby, the brilliant young coloratura soprano of the Royal Opera Company at The Hague is visiting here, or rather, spending the summer with her parents, Mr. and Mrs. Samuel S. Ruby, at the Abbotsford Inn.

Miss Ruby has had the distinction of singing before a number of crowned heads, and has as a precious possession a beautiful vase, the gift of Queen Wilhelmina. It was in the royal palace that the gift was presented. This is an unusual trophy for a young American girl to possess for in the first place, the habit of bestowing gifts by royalty is rather going out of fashion, and it is seldom that Americans receive that honor. Miss Ruby has, however, spent much of her time abroad, having been educated there and studying music under the most celebrated teachers. She first went there, while her father was American Consul to Belfast under President Harrison. Miss Ruby sang in 'Rigoletto,' with the Savage Opera Company for the end of this season. She is here just on a pleasure tour, and many friends here are preparing to entertain her. She was honored with an informal musicale and reception given by Archibald Sessions on last Saturday—Times.

Miss Ruby is the daughter of Hon. S. G. Ruby, ex-U. S. Consul to Scotland, who recently purchased, through Hurtt & Rogers, a fine home on A street.

BOTTLE-FED TREES.

Chemical Substances Are Injected to Strengthen Them.

Science has recently learned a good deal that previously was unknown about the anatomy of a tree, and especially about the circulatory system of the great plant, writes Rene Bach in Technical World Magazine. In order that it shall be healthy, it is as necessary for a tree to have a good circulation as for a man. But hitherto nobody had realized the activity of this function in the tree—an activity sufficiently evidenced by the fact that chemical substances injected into cottonwoods were detected in the sap of the topmost twigs, thirty to forty feet above the bottle, within ten hours.

Some recent experiments at the North Dakota experiment station have had for their object merely the feeding of poorly nourished young trees, which, when supplied with a bottle filled at frequent intervals, appeared to suck in sustenance at a rapid rate. So far, indeed, is this the case that it has been found possible to regulate to some extent the growth of young trees by such means, retarding their development or making it more rapid, as might be desired. It is all a matter of food supply, the 'patient' under treatment showing a ready willingness to absorb provender and to utilize it in the building of plant tissues.

LANKERSHIM

Rev. E. H. Price has been appointed pastor at this charge by the General Methodist Conference. He preached his first sermons last Sabbath, and the audience seemed well pleased with his earnest efforts. He is a student at the University of Southern California, and will reside in Los Angeles.

Improvements show on every hand. C. A. Cartwright is having an addition put on his house and a water tank erected. C. H. Fallor's three-room addition is almost completed. Geo. Blakeslee has purchased the Law property on San Fernando avenue, and is having the house and grounds "fixed up" in fine shape. Al McCormick's and Dan Bakman's houses are "looming up" in great shape. Just watch us produce, prosper and progress.

The peach season of 1906 closes up this week with grand results. The fruit growers surely have reaped a bountiful harvest. The output has

been between 2,000 and 2,500 tons, for which the least price received was \$30 per ton, to as high as \$80 and \$90. Land values here increased as the result, and a quick sale made if any property is put on the market. Orchard lands are not influenced by the water suit as absolutely no irrigation is required.

We must say that we are well pleased with the way subscriptions are rolling in. You have done better than we expected, but if you want the water matter settled rightly, you cannot invest the price of this paper to better advantage. Twenty to thirty other papers of this county are fighting our cause also through the efforts of this paper. It's getting to be the talk of the county. Los Angeles will just have to drop this suit with such opposition. Tell your neighbors what Editor McClure is doing for you, and show them the paper, asking them to subscribe, that the editor may exist to fight longer and harder. Public opinion is the best way to settle it.

Let the Los Angeles daily papers tell it, the watershed of the San Fernando valley has been destroyed by a great fire that swept over more than 200 square miles, and now we must have the Owens river. Between the mountain fires and the ranchers of this valley, poor Los Angeles will be waterless. The facts of the case are; that the fire was not in our watershed at all, but over the ridge on the Santa Clara river watershed that flows west toward Ventura, as you will note on the map the location of Newhall, Lang and other places mentioned.

We feel that the water case is now a back number, and we will be peacefully left alone. Public opinion has become so strong in our favor that it is risky for the city to do much, and then Owens river is a sure thing, and what's the use. Of course it will continue in the courts until one or the other side wins.

Have Thought of The Future.

The people residing in this valley have reason to be on the alert and to leave no stone unturned in safeguarding their water interests. Mr. Mulholland has been quoted in a Los Angeles paper as saying that the city would experience no shortage of water before next summer. This sounds as though this blusterer has seen the "handwriting on the wall" and is now trying to play a "foxy" game, and if such is the case, it will come out during the next session of the state legislature, when an attempt may be made to enact legislation that would put the well owners of this valley at the mercy of a few Los Angeles schemers.

This valley has no representative either in the state senate or assembly, and it is high time our people should take a hand in securing a representative that will look after the interests of the valley. Mr. E. D. Goode, who resides in Glendale, is a candidate for the assembly and we are sure he is in full sympathy with the justness of the well owners' cause as against the claims of Mulholland.

Mr. Goode thoroughly understands the conditions and needs of the valley and district and as he is honest, capable and an untiring worker, we believe it would be to the very best interests of the valley and the entire district to send Mr. Goode to Sacramento as our next representative.

DOUBLE SURPRISE.

H. N. Grant of Armour, South Dakota, arrived in Glendale on Wednesday of last week, surprising his brother, S. Grant and family by coming several weeks earlier than he anticipated, but their surprise was still greater when on the following day he slipped away to Los Angeles and was quietly married to Miss Barbara Pierson. The newly wed couple will be the guests of Mr. S. Grant for several months.
